Commissioner Morris asks, is there anything under this topic that the Board would like to discuss? The Board agreed there was nothing to discuss.

**5. Other County Business**

Keller Road Solar Project Appeal Request - Commissioner DeGroot said, we've received copies of an appeal request written by Mr. Wells and Mr. Kliewer about a solar project on Keller Road and I'd like to get an opinion from the Board so I can respond to them. Mr. Noble explained, since Mr. Wells and Mr. Kliewer didn't respond to the Planning Department's request for comments, they were precluded from the opportunity for an appeal, per our County Land Use Code. Mr. Noble confirmed Mr. Wells did receive the notice of request for comments. The Board agreed with Mr. Noble's reasoning that per our County Code, there could be no appeal as the prior requirement of submitting comment had not been fulfilled and agreed to send a letter to Mr. Wells and Mr. Kliewer. Mr. Noble will draft the letter for the Board to send.
