

PLEASE NOTE:

WHEN WRITE-INS ARE COUNTED:

ORS 254.500 (a) If the total number of write-in votes for candidates for the same nomination or office equals or exceeds the number of votes cast for any candidate for the same nomination or office on the ballot who appears to have been nominated or elected, the county clerk shall tally all write-in votes cast for the office to show the total number of votes cast for each write-in candidate.

WHO QUALIFIES AS WRITE-INS:

A candidate seeking nomination or election to office by write-in does not complete any candidate filing forms but must qualify for the office and may be required to establish a campaign account and file a Statement of Organization designating a candidate committee.

Prior to sending a notification to any person who is nominated or elected by write-in, the filing officer will conduct a review of the qualifications of the office. If the person who received the most votes does not qualify for the position, the office becomes vacant.

I certify that this report accurately summarizes the tally of votes for each race and/or measure at the May 16, 2023 Special District Election.
